Ces 2 activités font partie de la seconde séquence intitulée « *Let me introduce you to my favourite fictional character* », dans laquelle il s'agit, pour les élèves, de choisir un de leurs personnages de fiction préférés et de le présenter à la classe. Afin de les aider à préparer la tâche finale, les élèves découvrent ou redécouvrent les « Minions », héros de plusieurs films d'animation.

Les objectifs de la Compréhension Orale et de la Compréhension Ecrite sont de :

- découvrir ou redécouvrir les « Minions », dont Bob fait partie ainsi que leur maître Gru ;
- revoir le verbe « Be », travaillé dans la séquence précédente, et aborder le verbe « Have Got » ;
- aborder le lexique de la description physique, des vêtements et des accessoires ;
- aborder le lexique de la personnalité.
