➤ Compléter le plan de ce jardin en sachant que O est un centre de symétrie. *ooo*: Ingrid Bergman. (Rosier : rouge Sang)
o: bayon
A *o*: Ipomée Blanche étoilée pourpre.
o: Crocus "Grand Jaune".

The diagram shows a rectangular garden plan with vertices labeled A (top-left), B (top-right), C (bottom-right), and D (bottom-left). A dashed diagonal line connects A and C, intersecting at point O, which is the center of symmetry. The garden is divided into several sections:

- Top-left: A rectangular bed with a green stippled pattern.
- Top-right: A rectangular bed with a red stippled pattern and a central circle.
- Bottom-right: A rectangular bed with a red stippled pattern and a central circle.
- Bottom-left: A rectangular bed with a yellow stippled pattern.
- Center: A large circle centered at O, containing a smaller circle also centered at O.
- Two triangular beds are drawn on the left side of the central circle, one above and one below it, both containing a yellow stippled pattern.

Handwritten notes and symbols are present: 'A' is written near the top-left corner; 'o' symbols are used to denote different plant types as defined in the legend; 'Ingrid Bergman' and 'bayon' are written in the top right; 'Ipomée Blanche étoilée pourpre' and 'Crocus "Grand Jaune"' are written in the top left. The word 'Sang' is written in red near the top right corner.
